

Dear ATKV Klein Kariba holidaymaker

Welcome to ATKV Klein Kariba, the jewel of the bushveld! We hope that you have been looking forward to this well-deserved holiday as much as our staff team has been looking forward to the start of the holiday season so that we can welcome you here. We are going to do our best to make this your best holiday ever, and we want to invite you right from the start to come and speak to our staff should there be anything we can do to make your holiday experience even more unforgettable. For any problems or complaints, you can contact the service manager at 078 580 7092.

We are very proud of our beautiful resort, so we ask that you look after it and keep it clean and neat. Please report any shortcomings so that we can attend to it immediately.

We want to ask that you make sure that you are thoroughly aware of all the resort rules and that you adhere to them – in this way we can ensure a memorable holiday for everyone. Unfortunately, we do not allow gazebos next to the Dairymaid swimming pool, only at the heated stream pool and the cold swimming pool next to the apartments. Beach umbrellas may be used instead of gazebos. You are not allowed to reserve spots next to the Dairymaid swimming pool, and all items that have not been removed from the terrain by 23:00 will be taken by security and stored until the relevant parties collect it. Please also be aware that there are designated areas for smoking and ensure that you smoke only in these areas. Security will be strict with guests would do not follow the rules, for everybody's sake. We appreciate everybody's cooperation in this regard.

There is absolute quiet across the resort from 23:00 and no noise or music will be tolerated. It is allowed during the day and evening up to 23:00, but then in such a manner that only your unit can hear it so that it does not bother your neighbours or the units immediately surrounding you. No music is allowed from car radios, nor from music centres / appliances / instruments.

Dandre and his entertainment team has compiled a programme full of fun and games that promises to delight old and young, wrinkled and unwrinkled. Even the greatest and most successful holiday programme depends on the participation of the holidaymakers, and we therefore want to encourage you to participate. It will give parents the opportunity to play with their children and to have fun together, and I can guarantee that if you do this, the holiday will become one of your family's most treasured memories.

On behalf of the ATKV top management and the ATKV Klein Kariba team, we want to thank you all for your unconditional support of the resort and the ATKV. We appreciate it and we would not have been able to do it without you.

Where's the fun? The FUN is here!

Friendly Klein Kariba greetings

Bradley Rawlins

Resort manager
