Dear ATKV Klein-Kariba visitor,

A very warm welcome to ATKV Klein-Kariba – the jewel of the Bushveld!

We trust that you are looking forward to this well-deserved getaway with great excitement. Our entire team looks forward to welcoming you to our beautiful resort with pride, enthusiasm and, of course, a big smile.

Our goal is to make your stay as enjoyable and memorable as possible. Should there be anything we can assist you with – no matter how small – we kindly invite you to speak to any member of our team. We are here to help!

For any urgent problems or complaints, our service manager is available 24 hours a day at 078 580 7092.

Our beautiful natural surroundings are very precious to us, and we therefore kindly ask you to help us keep the resort neat, clean and beautiful. We also appreciate your cooperation in using water and electricity sparingly – every small contribution makes a big difference!

Should you notice any defects, problems or maintenance issues in or around your unit, please report them to us as soon as possible. This enables us to attend to the matter and resolve the problem as quickly as possible.

Please take note of the following important rules:

- No gazebos are permitted around the Dairymaid swimming pool. Gazebos may only be used at the heated stream swimming pool and the cold pool at the flats. Beach umbrellas are welcome as an alternative.
- No reserving of space is permitted around the Dairymaid swimming pool. Items left there after 23:00 will be removed by security and safely stored until collected.
- Smoking is only permitted in designated smoking areas. Security will take strict action against offenders. We appreciate everyone's cooperation in helping us maintain a healthy environment for all.
- Quiet time applies from 23:00. No excessive noise or music will be permitted after this time.
- During the day, until 23:00, sound must be kept at a low level that does not disturb your neighbours or surrounding units. No music is permitted from vehicle radios, music systems or instruments.
- We kindly request that you take note of the importance of **NOT FEEDING ANY ANIMALS**. Please help us protect our wildlife and ensure their safety.

Our entertainment team is ready with a jam-packed programme filled with fun and entertainment for young and old. Come and socialise, play, laugh and create precious holiday memories that will be cherished for years to come!

Don't forget to visit the Koswerf Restaurant and treat yourself to something delicious. Our Information Centre is also at your disposal, offering valuable information and ideas on what to see and do in the surrounding area.

You are also welcome to visit our conference facilities and discover what we can offer for your next function, event or conference.

On behalf of the ATKV management and the entire ATKV Klein-Kariba team, thank you very much for your loyal support and for choosing to spend your holidays with us time and time again.

It is a special privilege for us to be part of your holiday and to create special memories together with you.
