

Dear ATKV Klein-Kariba holidaygoer

Welcome to ATKV Klein-Kariba, the jewel of the bushveld! We hope that you are just as excited for this well-deserved September holiday as our staff team was for the holiday season to arrive, so that we could welcome you here. We will do our utmost to make this holiday the best one ever, and would like to invite you right away to come and chat to any of our staff if there is anything that we can do to make your holiday even more fun and unforgettable. For any issues or complaints, you can call the service manager at 078 580 7092.

We are very proud of our beautiful resort, and we therefore ask that every visitor takes care of our resort and keeps it clean and tidy. Please report any shortages to us so that we can attend to it immediately.

We also want to ask that you familiarise yourself with the resort rules and stick to them – this way, we ensure an unforgettable holiday for everyone at the resort. Unfortunately, we don't allow gazebos around the Dairymaid pool, only the heated pool by the stream, as well as the cold pool by the flats. Beach umbrellas can be used instead of gazebos. You are not allowed to keep spots around the Dairymaid pool and all items that aren't removed from the area by 23:00 will be taken and stored by security until the owners come to claim it. Please also note the different smoking areas and ensure that you smoke only in these areas – security will be strict with guests who don't adhere to these rules, for everyone's sake. We appreciate everyone's cooperation in this regard.

Complete silence must prevail on the resort from 23:00 and we will not tolerate any noise or music. During the day until 23:00, this is allowed, but only in such a way that your own unit or stand can hear it and it doesn't disturb the neighbours/units in the area. No music may be played out of vehicles, musical devices or instruments.

Dandre and his team have put together a programme full of fun, promising to entertain both young and old, ironed and wrinkled. Even the nicest, most successful holiday programme depends on the holidaygoers' participation, and we therefore encourage you to participate. This provides parents with the opportunity to play with their children and have fun, and I can guarantee you that if you do this, this holiday will be one of the best and most memorable for you and your family.

On behalf of the ATKV's top management and the whole ATKV Klein-Kariba staff, we would like to thank you for your unwavering support for our resort and the ATKV; we truly appreciate this and would not be able to do it without you.

Where's the fun...? The FUN is here!

Kind Klein-Kariba regards

Bradley Rawlins

Resort Manager
