YOUR VACATION INSPIRATION

## Entertainment Programme

2026

Dear ATKV Klein-Kariba guest,

A hearty welcome to ATKV Klein-Kariba – the jewel of the Bushveld!

We trust that you've been looking forward to this well-deserved June/July school holiday with great excitement. Our staff is ready to welcome you and your family proudly and enthusiastically. It is our privilege to be a part of your holiday memories, and we promise to do our best to make this a memorable and carefree stay.

If you need help with anything – no matter how small – we invite you to speak to any staff member. For urgent problems or complaints, you can contact the duty manager directly at 078 580 7092.

We are extremely proud of our beautiful resort and kindly ask for your cooperation in keeping it clean, neat and safe. Please report any defects or maintenance matters immediately so that we can address them as quickly as possible.

Please note the following important arrangements:

- No gazebos are allowed around the Dairymaid pool. Gazebos may only be used at the heated pool by the stream and the cold pool by the flats. Beach umbrellas are welcome as an alternative.
- No spaces may be reserved around the Dairymaid pool. Items left there after 23:00 will be removed by security and safely stored until they are collected.
- Smoking is only permitted in designated smoking areas. Security will act strictly against offenders. We appreciate everyone's cooperation in ensuring a healthy environment for everyone.
- Total silence must prevail after 23:00. No noise or music will be allowed after this time.
- During the day until 23:00, sound must be kept at a low level that does not disturb your neighbours or surrounding units. No music may be played from vehicle radios, music systems or instruments.
- Please note that it is very important to NOT feed any of the animals.

Our entertainment team has once again put together a jam-packed programme that promises fun for young and old alike. We encourage you to take part – these moments, where everyone laughs, plays and relaxes together, are when families create their most treasured memories.

On behalf of the ATKV's management and the entire Klein-Kariba team, we would like to thank you sincerely for your loyal support. We value every visit and every family that chooses to spend their holiday with us.

Kind ATKV Klein-Kariba regards,

Bradley Rawlins  
ATKV Klein-Kariba Resort Manager
